

ANGLICAN DIOCESE OF RIVERINA DUE DILIGENCE PROTOCOL

Adopted by Diocesan Council – 1st March 2023

SCOPE

This protocol forms part of a suite of processes and protocols under the Diocese Professional Standards Ordinance 2018 and has been developed in accordance with the Safe Ministry to Children Canon 2017. This Protocol outlines the various screening requirements for all clergy, lay ministers, volunteers and church workers within the Diocese of Riverina.

OUR COMMITMENT

Our Diocese is committed to ensuring our churches and ministries are safe places for all. This means: we commit to our pastoral, duty of care, legal and insurance obligations; with its goal that all ministries are spiritually, emotionally and physically safe. Underpinning this is the foundation that all parishes, ministries and entities should be person-valuing and respectful spaces free from abuse and harm.

We have developed and implemented measures to educate our Clergy, volunteers and church workers about the importance of safety and ways in which we can prevent and respond to instances of poor conduct and breaches of this safety. The requirements of our Due Diligence Protocol are an important part of this prevention process and allow us to be confident we have done all we reasonably could to ensure Clergy, volunteers and church workers are suitable for their various ministries.

Failure to adhere to the requirements outlined within this protocol can result in serious consequences.

HOW TO USE THIS PROTOCOL

This protocol must be followed by Parishes when engaging, employing, appointing or electing any individual to any position or role in the life of the Church.
